GBIR-012	01.19.23	Virtual via Zoom
GBIR-013	02.02.23	Virtual via Zoom
GBIR-014	02.22.23	Virtual via Zoom

PLEASE NOTE: If any of your certifications show an expiration date of 05/31/2023, you must complete a recertification class this training season to retain certification in that area. If your certification has expired, you must successfully complete the original certification course, including any performance evaluations.

For more information contact the Technical Certification Unit
Email: tech-cert.dot@state.mn.us

Registrations are processed on a first-come, first-served basis. Class sizes are limited so please register early. Registrations will not be processed without a MnDOT Tech ID number and payment.

Registrations will be confirmed on a daily basis, as well as via email two weeks before the class begins. If you have not received a class or waiting list confirmation notice, please contact LSC to ensure your registration has been received. See these LSC reminder emails for class date, time, location, and other important information.

Individuals who have a disability, either permanent or temporary, which might affect their ability to perform in a class, should contact LSC for accommodations.

Use the [MnDOT Technical Certification Program website](#) to:

- See cancellation and rescheduling policies and directions
- Get logistics about classes, such as meals, lodging and class locations
- Get step-by-step directions for registering for classes
- Access your Tech ID and Technical Certification card
- Learn about the certification process
- Find your course materials
- Take your exam and find procedures for retests and test-outs
- Find construction resources and MnDOT contacts

Please visit the MnDOT Technical Certification Program website:
mndot.gov/technical-certification
