

MN State Patrol Mandatory Inspection Program – certification extension update

- If your certification expires in **March** or **April 2020**—You will receive a 4 month extension of your certification. You will still be active and will be able to purchase decals and conduct inspections. You will be good to inspect until 4 months from your certificate expiration date.

- If your certification expired prior to March 1, 2020 **AND** you had registered to take a certification course but the course was cancelled----The course providers have given us the rosters and you will receive a 4 month extension of your certification. You will still be allowed to purchase decals and conduct inspections. You will be good to inspect until July 1, 2020.

If your certification expired prior to March 1 and you are in the 6 month grace period and you were not registered for a recertification course you will not be able to conduct inspections or buy decals.
