Classes may be tax deductible under Hope Scholarship and Life-Long Learning tax laws. Your social security number must be provided in order to claim either of these deductions. Many colleges/universities use social security numbers for student identification purposes on student records. Providing your social security number, birth date, gender, and ethnic background is voluntary. If you do not provide this information, your application will still be processed. This data is requested for purposes of administration, program evaluation, and consumer and alumni data. The data may also be used to create summary information about MNSCU programs through data matches with other state agencies.
