ID #	DATES	LOCATION
GBR2002	10/01/17	WEB BASED STUDY COURSE

* Students will receive MnDOT Certification only

*All class times are 8:00 am - 4:30 pm

PLEASE NOTE: If any of your certifications show an expiration date of 5/31/2018, you must complete a recertification class this training season to retain certification in that area. If your certification has expired, you must successfully complete the original certification course, including any performance evaluations. For more information contact John at the Technical Certification Unit. Phone: 651-366-4201 Email: john.micheau@state.mn.us

REGISTRATION INFORMATION

Registrations will be processed on a first come-first served basis. The class sizes are limited, so early registrations are suggested to obtain the date preferred. All registrations must be accompanied by a check or credit card number. **REGISTRATIONS WILL NOT BE PROCESSED WITHOUT PAYMENT AND A MnDOT TECH ID #.**

Registrations will be confirmed on a daily basis. If you have not received a class or waiting list confirmation notice, please contact LSC to ensure your registration has been received. Confirmations will include class date, location and general directions. Lodging reservations are the responsibility of the student.

Individuals who have a disability, either permanent or temporary, which might affect their ability to perform in a class should indicate the disability by contacting LSC at (218)733.5932 or robyn.rohweder@lsc.edu.

CANCELLATION POLICY

Students may use the registration software to make changes and cancellations. Students cancelling at least seven (7) calendar days prior to the class will receive a refund. If a student cancels within seven (7) days of the class, no refund will be granted. All ELearning classes must be cancelled by April 24, 2018.

Companies may opt to send replacements to a class, but only if changed in the registration system. If a student misses a class, they are required to re-register and resubmit the full class fee.

COURSE RESCHEDULING & CANCELLATION

LSC reserves the right to reschedule and/or cancel classes due to insufficient registrations. Students registered in those classes will be notified and offered an alternative date and/or location, or a refund if requested.

RETESTING

Retesting can be scheduled through the MnDOT Technical Certification office in St. Paul by calling 651.366.4201.

TEST OUT POLICY

You may apply for certification through a test-out in one or more areas. A test-out presumes you have a broad knowledge of the material and are proficient in that area. Test-outs are not for the convenience of the applicant, all efforts should be made to certify/recertify while classes are held during the training season. **For test-outs, all prerequisites must be kept current.** The Test-Out for Certification process involves a series of steps that must be completed. Please go to the MnDOT Technical Certification website: <http://www.dot.state.mn.us/const/tcp/> and click on **Forms and Publications** in the top navigation bar and download the **Test-Out Application**. Please read the **Test-Out Process Instructions** from the link provided before filling out the application.

STUDENT INFORMATION UPDATES

If a student has a change of job, address, or phone prior to attending classes, please contact LSC with the updated information.

LODGING & MEALS

Registrants are responsible for their own meals and lodging. The MnDOT training facilities have vending machines available for food and beverage purchase.

***PLEASE NOTE:** The MnDOT Training and Conference Center is also known as the Arden Hills Training Center. The MnDOT Materials Lab is also known as Maplewood Lab. Duluth "LSC" is Duluth Lake Superior College.
